CBT Classes Begin Tuesday

I'm writing you today to ask you to be in prayer.

In spite of all the challenges, the Haitian Directors and staff are getting ready to begin the 9th class of the CBT. It's harder to get fuel and supplies, and everything is more dangerous, but they are committed to continuing to train preachers.

The photo above is a reminder what most students are facing as they travel to the CBT from their homes. For some students, it will take two days of travel...on a bench, with his feet on his bag, on a crowded bus, over rough roads, and over mountains.

Please be praying for safe travels for all of our students.

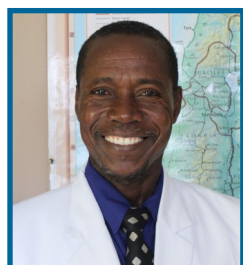

INSIDE

New Haitian
Director

New
Instructors

Bertin Victor and Gedeon Abraham will be traveling from the South East of Haiti. They will travel the long way around (through Hinche) to avoid the

gang-controlled area of Port au Prince. Their trip will be especially difficult. **Please pray for them in particular.**

New Haitian Director

"Jackie" Evins Pierrot has stepped down as a Haitian Director.

We are so grateful to Jackie for his service these past few years. He is working on moving his family to the U.S.

The men
you've
trained are
training
more men
at the CBT

Edouard St. Clervil is the
newest Haitian Director.
This is a man you've
trained!

Edouard St. Clervil was selected as our new Haitian Director. He will join Fonrose and Richard in directing the daily workings of the CBT.

Please pray for the Haitian Directors. Their work has become much more difficult and dangerous this year.

New Instructors Added from Among our Graduates

Rosemond Marcellus and Raymond Donatien are both CBT graduates who will join our teaching staff this trimester.

These are men you've trained who are giving back to train more men

Rosemond Marcellus and Raymond Donatien will begin teaching classes this trimester. Marcellus is from the 6th Class and Donatien the 7th Class. Marcellus will teach Homiletics (preaching) and Donatien will teach Evangelism.

Isn't it wonderful to have so many of our graduates stepping up to train other men? **All our instructors for this trimester (other than Fonrose) are CBT Graduates!**

Please pray for all our instructors. They dedicate themselves to this important work while continuing their ministries. Travel is difficult and can be dangerous at this time.

Thank you so much for your prayers and support that make this work possible.

You are sending the gospel to Haiti!
