**12 Men.
3 Years.
One Purpose**

In February, twelve Haitian men began a three-year journey at the Center for Biblical Training.

They came from different

places and different backgrounds—but they share one purpose:

To prepare themselves to serve Christ and His Church. As our mission statement says... *“to serve the Haitian people in the image and likeness of Christ.”*

You are helping make their life-changing journey possible.

Six Years Later....

Belony: From Student to Servant Evangelist.

In this photograph, we see just a glimpse of what that looks like: **Belony helping people take a life-changing step of faith and baptizing them into Christ.**

But Belony's ministry is taking place in the middle of enormous challenges. Recently he wrote, **"I have many sisters and brothers who left their homes because of the bandits who invaded them."**

Twenty Years Later....
